

AGIT OPTIMA™

PINOT NERO D.O.C. 2015

HARPERS

October 2017

Described as “a very complex Pinot”, with “rasperry, cherry, spices and mushroom” on nose and palate, this “creamy” wine impressed the panel.

On the commercial front, this delivered good value for the elegance found in the bottle and stood out as a “great alternative” to pricier Burgundy, offering strong varietal character at a good price.
