# 87/100

Medium deep colour it seems slightly developed here, lighter on the rim. Quite intense nose. Sweet red fruit. Also with some dried spices. I find some dried herbs, anise seed, some notes of liquorice and cassis. Medium weight on the palate. Quite generous fruitiness here. Moderate levels of tannin, well-integrated. Quite high acidity and mostly red fruity notes with cassis, currant, cherry notes, some hints of sage, with anise seed. Quite long finish. Rather juicy and attractive today and potential for at least another five to seven years.

**87/100**

Quite deep and intense colour colouring the glass. So high viscosity as well. Still with a dense, purple core. The nose is quite sweet and ripe with some jammed berry fruit. A lot of spices clove, vanilla, dried cherry. Palate is quite full, with a lot of sweet fruit flavours. There is a high degree of extract and tannin as well. Quite rounded on the finish. I find the fruit being attractive for this ripe, I would say, much more warm-climate style. Nice juiciness on the finish, with a good spiciness as well. Oak is well integrated and the finish is long.
