

AMBOTM NEGRONI

AMBO NEGRONI 0.0% - ALCOHOL FREE

Product type: ready-to-drink mocktail (non-alcoholic cocktail).

Ingredients: white grape must, water, rhubarb juice, natural aromas, liquid food coloring.

Our philosophy: our family recipe for a Negroni, crafted for those opting for a non-alcoholic version of this classic Italian Aperitivo. This ready-to-drink mocktail was created from a curated selection of ingredients to resemble the original recipe. We recommend you serve it with ice and a slice of orange.

Alcohol: 0.0%.

Color: crimson red.

Aroma: intense, characteristic of a Negroni: notes of rhubarb, lemon as well as herbaceous notes such as juniper and licorice, and a hint of spice.

Palate: bold yet well-rounded with a pleasant combination of bitter, citrusy and savory notes, which recall the sweetness of red vermouth and the warmth of gin.

Food Suggestions: excellent on its own; we suggest you pair it with crostini, pizza, chips or roasted potatoes, marinated olives, cured meats.

Serving Temperature: 6-8° C / 43-47° F.
